

2023 PSAT 9 State Achievement Results Total Score

Interpretation Considerations

- Interpretation of school, district, and state results should be made with caution when participation rates are low and/or representativeness* is limited.
- Cross-state comparisons should consider differences in participation rates and representativeness* across schools, districts, and student groups.
- Cross-year comparisons should consider differences in participation rates and representativeness* across years.

*Representativeness: how well the demographics of the tested student population mirrored the demographics of the enrolled student population
