NAEP 2022 Math Grade 8: Average Scale Score

Mathematics, Grade 8

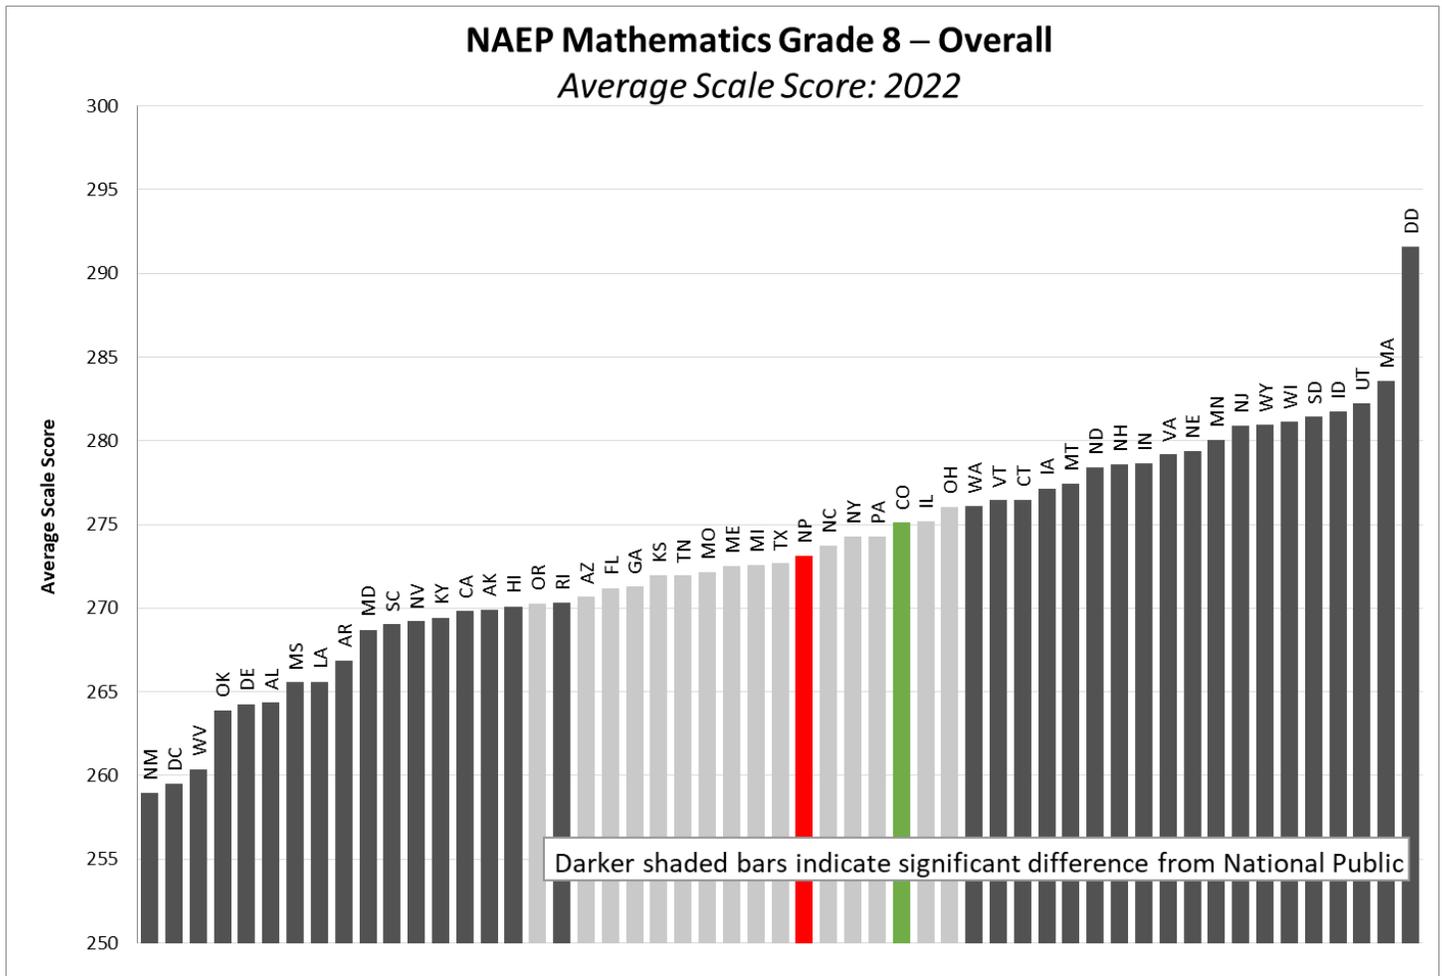

Difference in average scale scores between all jurisdictions and Colorado, for All students [TOTAL], 2022

The map compares Colorado 8th graders average scale score on the NAEP 2022 Math assessment to the other 49 states, the District of Columbia and the Department of Defense schools. Colorado, which is shaded green, is the focal state. States shaded light blue scored lower than Colorado. Dark-blue shaded states scored higher than Colorado and grey-shaded states scored the same as Colorado. Because NAEP results are based on samples, there is a margin of error associated with each score or percentage. Therefore, only those differences in scores or percentages that meet NAEP's standards for statistical significance are reported as higher or lower.

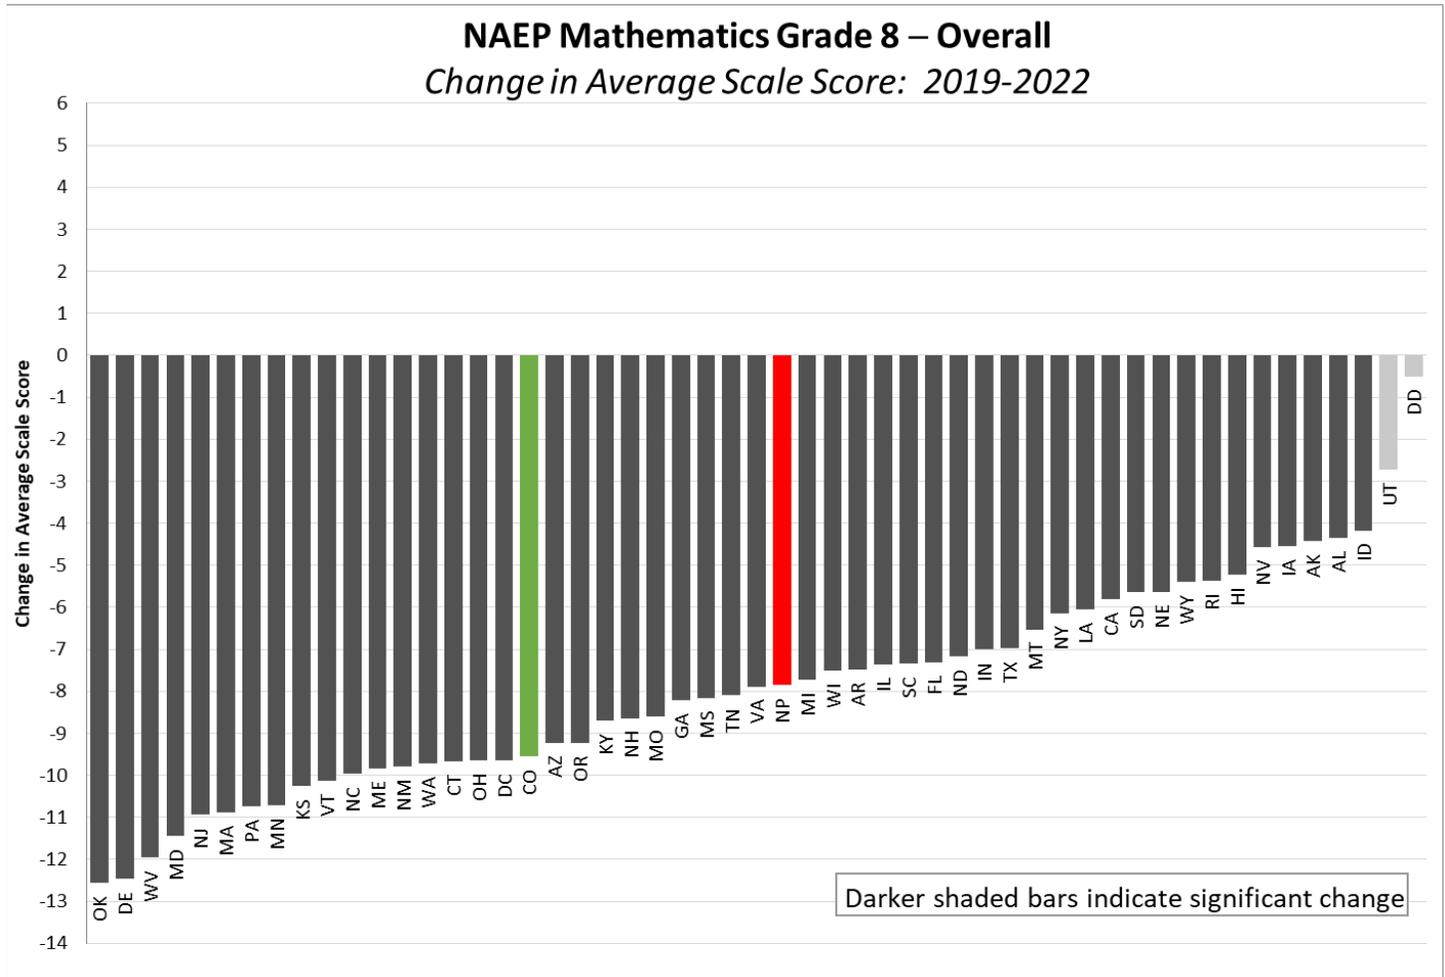

National NAEP Math Grade 8 Average Scale Scores

Using the average scale score on the NAEP 2022 Math assessment for each state, this bar graph compares Colorado 8th graders with the other 49 states, the District of Columbia and the Department of Defense schools. The red bar indicates the National Public average. The green bar represents Colorado. Darker shaded bars indicate significant difference from National Public average.

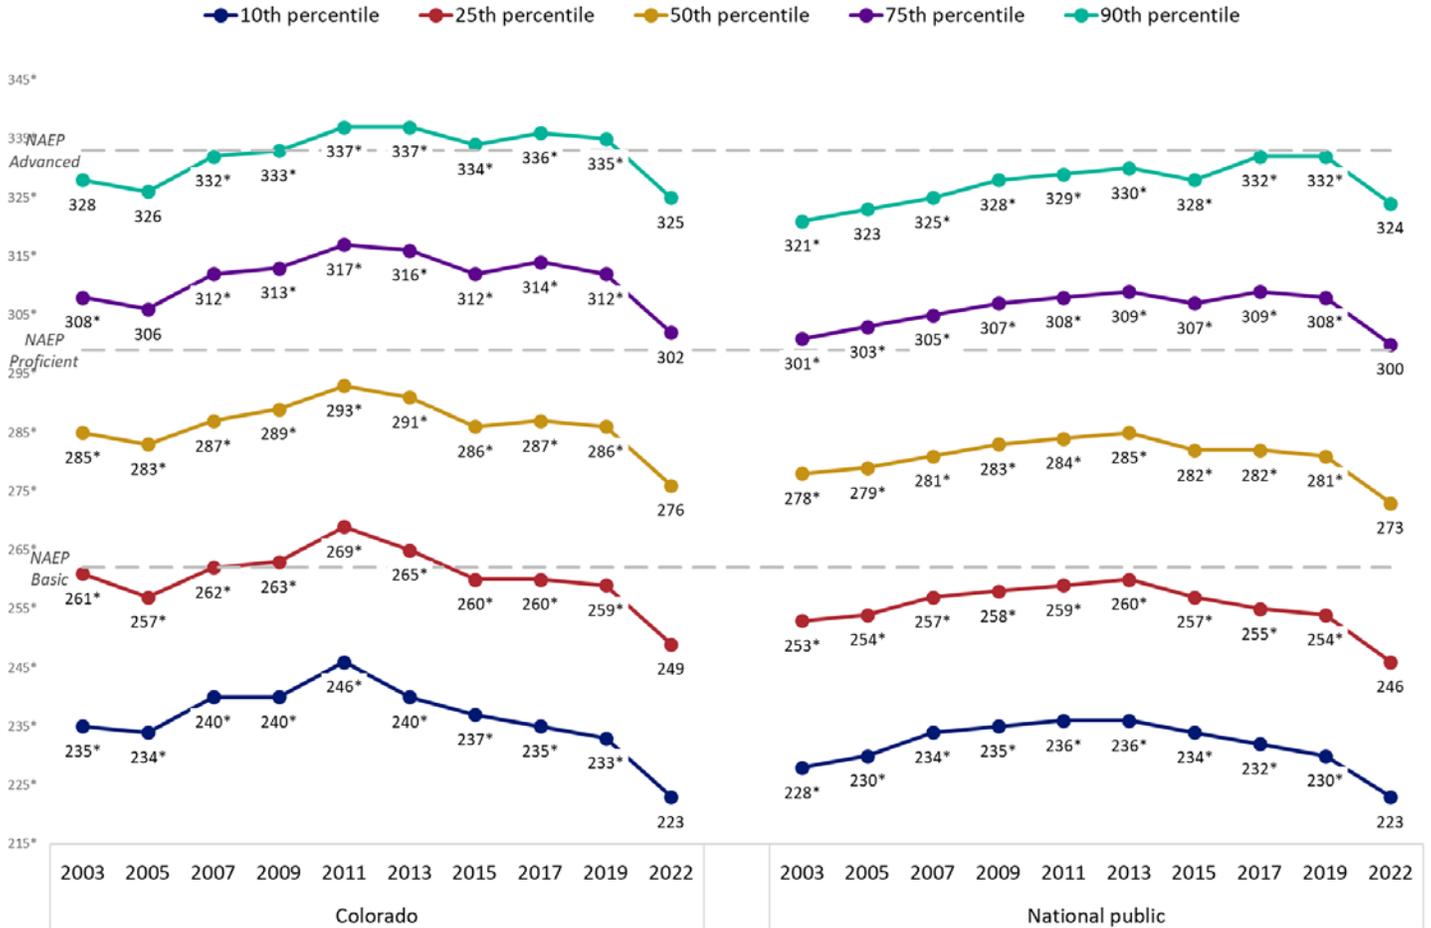

National Change in NAEP Grade 8 Math Scale Scores Over Ten Years

Using the average scale score on the NAEP 2022 Math assessment for each state, this bar graph compares Colorado 8th graders with the other 49 states, the District of Columbia and the Department of Defense schools. The red bar indicates the National Public average. The green bar represents Colorado. Darker shaded bars indicate significant difference from National Public average.

Colorado vs National Public Average Scale Score by Percentiles 2003-2019

Trend in percentile scores for Colorado and National public

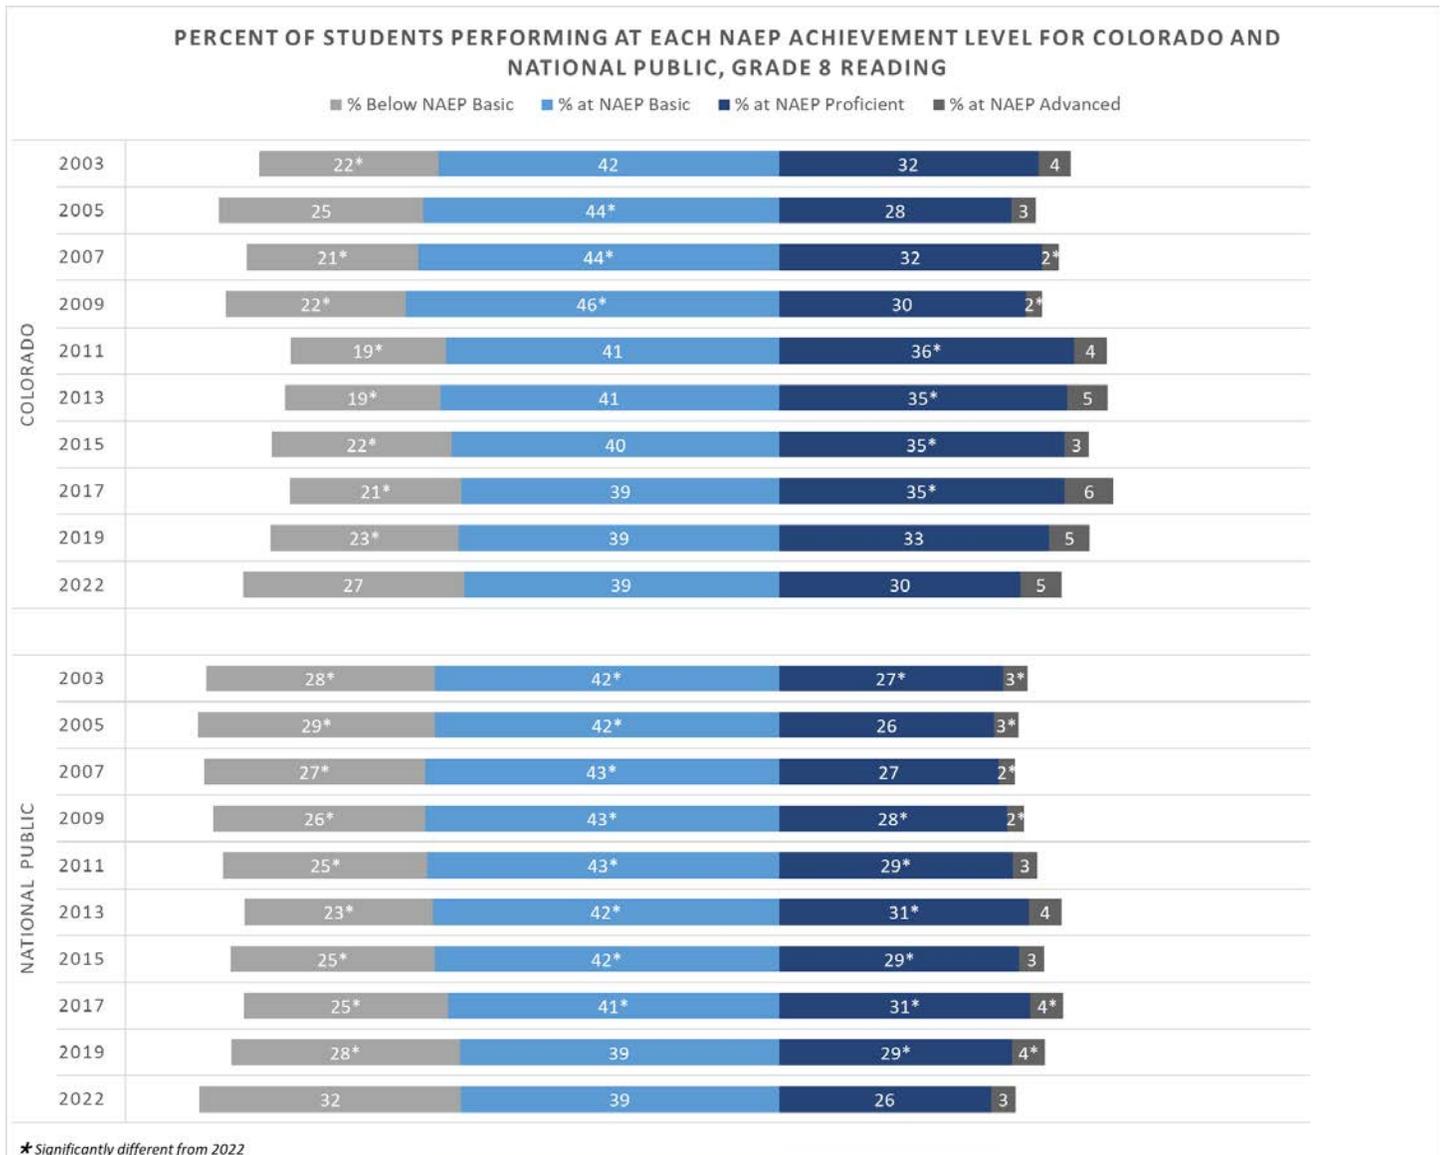

* Significantly different from 2022

Note: the NAEP Grade 8 Mathematics scale ranges from 0 to 500

The line charts above represent average scale score on the 2022 NAEP Grade 8 Math assessment separated into the 10th, 25th, 50th, 75th, and 90th percentiles for each Colorado and National Public school students extending back to 2003. The dashed lines represents the 2022 NAEP Grade 8 Math NAEP basic, proficient, and advanced achievement levels.
