

Mill Levy Public Information Instructions

Taxing Entity Information

For all these fields, if unknown, consult the links in the attached PowerPoint.

Mill Levy Information

1. Bond, Override, Additional etc. Local Governments need to report a Mill Levy Public Information Form for each mill levy whereas Counties only need to report the overall mill name and/or purpose.
2. Mill Levy rate for upcoming budget year.
3. Mill Levy rate from previous year.
4. Prior years certified assessed value applied to prior years Mill Levy rate. Actual dollars collected.
5. Previous year Mill Levy or most restrictive growth limit in mill levy form.
6. Calculate most restrictive limitation and convert to revenue. If de-bruced, a not applicable notation is appropriate along with stating you are de-bruced in field #12-Other or Additional Information.
7. Current year revenue estimate less the prior year's revenue noted in field #4.
8. If de-bruced, YES. If not, NO
9. If de-bruced, NO. If not, YES
10. No.
11. If a Mill Levy reduction is in order, what is the amount of that reduction in revenue value.
12. Any other information as it pertains to this specific mill levy.
