**SIPA**  
EFFECTIVE E-GOVERNMENT

**To Whom It May Concern,**

The Statewide Internet Portal Authority (SIPA) is pleased to announce that the decisions have been made as to who will be awarded the 2014 Micro-Grant. SIPA received many applications from around the State of Colorado. These applications came from numerous different State Agencies, Counties, Municipalities and Special Districts. Each application was carefully reviewed by a team of professionals. The mission of SIPA is to assist Eligible Governmental Entities (EGEs) in increasing their adoption and usage of online services by placing more information, products, or services online.

After careful review of all applications, SIPA is pleased to present the Colorado Department of Education/State Publications Library with a 2014 SIPA Micro-Grant. SIPA will award you the requested \$6,500.

Congratulations! This grant will greatly benefit the citizens of Colorado and your organization. Thank you again for taking the necessary steps and time to complete the SIPA Micro-Grant application.

We invite you to join us at the Grant Award Ceremony on March 31, 2015 from 5:00 p.m. to 7:00 p.m. at the Ralph L. Carr Judicial Center in Denver, Colorado to accept your grant. Checks will be distributed at the event. This is in conjunction with SIPA's 2015 User Conference. Join us at this free conference to learn more about how governments across Colorado are using e-Government services.

Please click [here](#) to register and reserve your spot for the grant reception and/or User Conference. We look forward to seeing you on March 31.
