**Number of Students with Chronic Absenteeism** – The unduplicated count of students absent 10% or more of the days enrolled in the public school year during the school year. A student is absent if he or she is not physically on school grounds and is not participating in instruction or instruction –related activities at an approved off-grounds location for the school day. Chronically absent students include students who are absent for any reason (e.g., illness, suspension, the need to care for a family member), regardless of whether absences are excused or unexcused. This count would include students

**Truance Rate** - Total Student Days Unexcused divided by Total Student Days Possible.

**Number of Students Truant Four or More Days in a Month** – The unduplicated count of habitually truant students who are at least the age of six on or before August 1 of the year in question and under the age of seventeen years having four total days of Unexcused Absences from a public school in any one calendar month: calculated by the sum of unexcused absences converted to days and fractions of days.

**Number of Students Truant Ten or More Days in a School Year** – The unduplicated count of habitually truant students who are at least the age of six on or before August 1 of the year in question and under the age of seventeen years having ten or more total days of Unexcused Absences, but never accumulated four or more total days of unexcused absences from that public school in any one calendar month: calculated by the sum of unexcused

**Number of Students Truant for Both Conditions** – The unduplicated count of habitually truant students who are at least the age of six on or before August 1 of the year in question and under the age of seventeen years having four or more total days of Unexcused Absences from the reporting public school in any one calendar month and also accumulated ten or more total days unexcused absences from the same public school during the reported
