

Gifted Education Monitoring (GEM) 5 Year Schedule: 2025-2030

The Colorado Department of Education (CDE) uses the Gifted Education Monitoring (GEM) process to help Administrative Units (AUs) improve outcomes for gifted students. GEM ensures AUs follow the Rules for the Administration of Gifted Education under the Exceptional Children's Educational Act (ECEA), specifically Rule Section 12.07. This monitoring occurs every five years and aligns with each AU's Comprehensive Program Plan.
