2. Policy Presentation and Q&A.

Melissa Bloom and Shelbie Konkel provided the group with a comprehensive review of the legislative process, what to anticipate in the next legislative session, and tips for engaging in the

legislative process. They also shared information about a budget request that is being made that builds on DWG recommendations from 2023-2024. *(See slides #12-47)*

3. Data Presentation

- Mandy Harris shared that the ELSR office has cross-mapped recommendations from the Dyslexia Working Group annual reports, the Dyslexia Pilot annual reports, and the most recent WestEd evaluation and helped clarify what recommendations of the DWG are within CDE purview, outside CDE purview and related & current work. *(See slides #53-56.)*

5. Building from Strengths Exercise

The group generated a list of promising opportunities for 2024-2025 based on last year's work, as well as new information presented in the morning. Each opportunity was reviewed/assessed based on ease of implementation and potential for impact. Items that were determined to be potentially high impact and easy to implement will be prioritized for the year.

6. Organizing for Action

The DWG agreed to a virtual meeting on **November 15 from 9:00am - 11:00am.**
