RE: Reporting of Information Regarding Colorado Non-Public Schools

Section 22-1-114, Colorado Revised Statutes allows Colorado’s public-school districts to collect, not more than once per month, certain information from non-public schools within their districts to meet their responsibilities for the compulsory attendance of eligible children. The pupil membership counts reported below become a significant component in computing allocations for ESEA, CPP, Special Education, Nutrition Programs etc

Is this school non-profit? Yes \_\_\_\_\_ No\_

NEW Principal or Director email address \_\_\_\_\_

NEW Principal or Director Phone Number \_\_\_\_\_

Signature of School Principal or Director \_\_\_\_\_

Please provide the October 1, 2021 membership count by grade for your school. All counts listed below should include only those students enrolled in an educational program. If your school is ‘ungraded’ or has combined grades, please report students in grade based upon age.
