

# SPECIAL EDUCATION COST RATES FOR FACILITY SCHOOLS

FISCAL YEAR 2019-20

**COLORADO**  
Department of Education

The Exceptional Children’s Educational Act (ECEA) contains provisions related to costs for educating students with a disability who are served by programs outside of the district of residence, including students who are placed by a public entity in an approved facility school. According to ECEA, the district of residence is responsible for paying the costs for educating a child with a disability within the facility. The ECEA requires the department to establish and the State Board of Education to approve the cost rates that the school district of residence shall pay to the approved facility school to educate the student.
