

Off-Site- School Breakfast and Summer Food Service Program Outreach	
1600.	How did the SFA inform families of the availability of the School Breakfast Program prior to (or at the beginning) of the school year and provide reminders about the availability of the School Breakfast Program throughout the school year?
<p>Tips: SFAs must inform families of the availability of the School Breakfast Program at the beginning of the school year, when free and reduced-price meal applications are sent to households. This can be done in a variety of ways: weekly announcements over the intercom, post menu in office, send with back-to-school paperwork, or post menu on SFAs website.</p> <p>Resources:</p> <ul style="list-style-type: none"> <input type="checkbox"/> School Breakfast webpage: https://www.cde.state.co.us/nutrition/school-breakfast-program. 	
1601.	How did the SFA inform eligible families about the availability and location of free meals for students via the Summer Food Service Program?
<p>Tips: SFAs must inform families of the availability and location of free summer meals for students when school is not in session. As best practice, advertise the SFSP in a newsletter, robo text, menu, or website. Reference the www.kidsfoodfinder.org or text 'FOOD' or 'COMIDA' to 877-877 for families to find sites near them.</p> <p>Resources:</p> <ul style="list-style-type: none"> <input type="checkbox"/> SFSP Outreach Tools: https://www.cde.state.co.us/nutrition/summer-food-service-program-outreach-toolkit. <input type="checkbox"/> Summer Food Service Program webpage: https://www.cde.state.co.us/nutrition/summer-food-service-program.
