

MEETING HIGHLIGHTS

February 11, 2011

At its February 11th meeting, the State Council for Educator Effectiveness (SCEE) refined recommendations for measuring student growth as part of teacher and principal evaluations.

In addition, the Council discussed the development of a state model system and its appropriate role in the state roll out of SB 191.

Finally, the Council reviewed and discussed drafts of proposed implementation and policy guidelines presented by the Technical Advisory Group (TAG). The Council reviewed specific documents on the testing, pilot and roll out of the new performance evaluation system; policy alignment; and parent engagement.

The Council will meet again on February 25th at the Colorado Children's Campaign.
